HYDERABAD: Governor ND Tiwari launched the logo of North American Telugu Society (NATS) at the Raj Bhavan here on Tuesday. With the primary objective of addressing the needs and concerns that affect the everyday lives of Telugu people living in North America, NATS would be organising a 'America Telugu Sambaralu' in Orlando, Florida from July 2 to 4.

NATS is a non-profit national organisation for Telugus living in North America which aims to provide badly needed social, financial, and educational support services to the North American Telugu community in an effective and efficient manner. According to a press release, NATS actively involves its general body in setting its direction and in providing regular input on its programs and would also focus on activities in North America.

The society is open to suggestions and requests of concern from the public in the coming months. Gazhal Srinivas, Ravi Madala and Sunil were present. For more details, log onto www.sambaralu.org or call 9848992826
