

## **Dr. Gurava Reddy:**

### **Sunshine Hospitals, CEO/ MD**

Mr. Gurava Reddy is the CEO and founder of Sunshine Hospitals in Hyderabad, India. Sunshine Hospitals is the second largest joint replacement centre in Asia and one of the fastest growing multi-specialty hospitals in Hyderabad. First of its kind in Andhra Pradesh, Sunshine Hospitals is an Exclusive (150) Bed Institute for Joint Replacement, Trauma, Neuroscience's & Plastic Surgery. Sunshine Hospitals with its tertiary level of super specialty care is striving to become the destination of choice for all discerning patients from within the country & abroad.

The Orthopedic team at Sunshine provides full range of orthopedic procedures, treating everything from sports and work-related injuries, to the pain caused by arthritis, to broken bones and sprains and strains. Novel therapies including cartilage repair and regeneration procedures, hip resurfacing and unicompartamental knee replacements are all performed here, using both conventional as well as minimally invasive approaches.

Mr. Reddy is also the founder member of Indian Society of Hip & Knee Surgeons and life member of the Indo German Orthopedic Foundation. He is a faculty member in National and International Joint Replacement Conferences and tutor for Royal College of Surgeons, Edinburgh.
